Dear Sir:

In response to the restriction requirement of the Office Action dated October 5, 2007, Applicant elects Embodiment I as shown in Figure 28, Embodiment II as shown in Figure 29, Embodiment III as shown in Figure 30, and Embodiment V as shown in Figure 32, which are read on by claims 1-9, and 19-28. This election is being made without prejudice to filing the non-elected claims in divisional applications.

Applicant respectfully submits that all of the pending claims are in condition for allowance and seeks early allowance thereof. If for any reason, the Examiner is unable to allow the application in the next Office Action and believes that an interview would be helpful to resolve any remaining issues, he is respectfully requested to contact the undersigned attorney at (312) 321-4200.

Respectfully submitted,
